

2006 EWRI Official Governing Board Nominee

**C. Dale Jacobson
P.E., DEE., F.ASCE**

After reviewing several nominations, the Nominating Committee recommended, and the Governing Board agreed, that C. Dale Jacobson, P.E., DEE., F.ASCE becomes the EWRI Governing Board Official Nominee for the 2006 position of EWRI Vice President. The position on the Board will start on October 1, 2006.

Dale has spent his entire professional career working for consulting firms in the environmental engineering field and currently serves as President of a consulting firm offering services exclusively in the environmental and water resources disciplines. Over the years, Dale has served ASCE and EWRI on numerous committees and task committees. He has served as the ASCE Presidential Appointee to the EWRI Governing Board in FY'02 and FY'03 and as Treasurer FY'04-present. Dale currently serves as President of Civil Engineering Certification, Inc., an ASCE entity created to house specialty certification programs for civil engineers. Dale also served as an officer of the Water Environment Federation (WEF) for five years during the 1990s. Dale's vision for EWRI has four components: Watershed Management, International Programs, Specialty Certification, and Business Fundamentals. It is in these four areas that Dale hopes to build EWRI into an even stronger organization recognized the world over.

Any EWRI member in good standing may file a petition nomination for the V.P. position with the EWRI Executive Director. Petitions must be in accordance with the EWRI bylaws.
